## WELCOME

---

Dear Industry Colleagues,

Every year the Foundation for Women's Cancer invites people across the country to join in Move4Her events to raise funding, increase awareness, enhance prevention through screening, and improve survival outcomes for the five gynecologic cancers. These five malignancies, ovarian, endometrial, cervical, vaginal, and vulvar cancers affect more than 1.3 million women around the world leading to 645,000 deaths.

This year, the Institute for Surgical Excellence has partnered with the Foundation for Women's Cancer to develop a sentinel event, "Celebration of Champions Day", to raise funding to support our patients, their families, and researchers as we strive to help better treatments for cancer. We are inviting industry partners to join us in support of the Institute for Surgical Excellence by participating in the "Celebration of Champions Day" scheduled for January 24- 25, 2025. This special event will be held at the PGA National Resort in Palm Beach Gardens, FL and provides a unique and multifaceted educational and community event with proceeds given to support the mission of the Foundation for Women's Cancer.

Thank you for your consideration of our request for participation, we look forward to receiving your commitment. If you have any questions, please contact Tyler Gillespie, [tgillespie@veritasamc.com](mailto:tgillespie@veritasamc.com) or 847-920-6573.
